

Medical Requirements

Vaccinated for:

- Rabies
- EEE (Eastern Equine Encephalitis)
- WEE (Western Equine Encephalitis)
- West Nile virus
- Tetanus

Vaccinated with:

- Flu Rhino

Tests:

- Current negative Coggins test

If you are missing any of these vaccines or test, your horse will not be admitted to the boarding program. Guest horses must also have all up to date medical requirements. If you would like, at your own cost, our vet can meet you on the day of arrival to treat your horse for all missing requirements. Coggins test must be done in advance.
